1 day in Singapore with kids

带孩子玩新加坡一天 · 本地人的路线

A relaxed, easy day planned by a local dad. Colourful houses in the morning, a break from the heat, then satay and two free light shows at night.

MORNING TO AFTERNOON

Katong & Joo Chiat

上午：加东与如切

9:00am

Get there the local way

怎么去：褐线到马林百列站

Take the brown line (Thomson–East Coast) to **Marine Parade**. You come out at Marine Parade Central, a real local neighbourhood with a hawker centre. Walk through, then cross the road into Katong.

Local tip: take your time here. Walk through and explore the neighbourhood shops and the food centre. It's how Singaporeans actually live.

9:30am

The colourful houses

如切彩色娘惹排屋

Peranakan shophouses along Koon Seng Road and Joo Chiat Road. Go in the morning while it's cooler. Great for family photos.

10:30am

Nyonya kueh snack

娘惹糕

Colourful Peranakan cakes. Get a mix to share, kids always go for the rainbow ones.

12:00pm

Katong laksa lunch

加东叻沙

Short rice noodles in a spicy coconut broth, cut short so you eat it with just a spoon. Ask for less spicy for the kids.

1:30pm · Hide from the heat 避暑休息

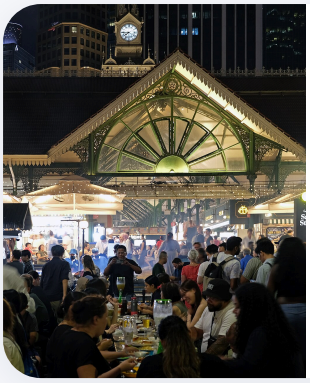

- Early afternoon is the hottest part of the day. Don't fight it.
- Parkway Parade mall is right there for air-con, toilets and a cold drink. i12 Katong mall is another option nearby.
- Or head back to the hotel for a nap or the pool. Tired kids = no fun tonight.

EVENING

Satay & two free light shows

晚上：沙爹 + 两场免费灯光秀

6:30pm

Dinner at Lau Pa Sat

老巴刹晚餐

Hawker food under a beautiful old Victorian roof. From 7pm (3pm on weekends) the road outside turns into Satay Street. Get satay with ketupat rice cakes.

Local tip: the stalls compete hard, but honestly they're all just as good. If it's packed, let them find you a table. If not, sit anywhere, no pressure.

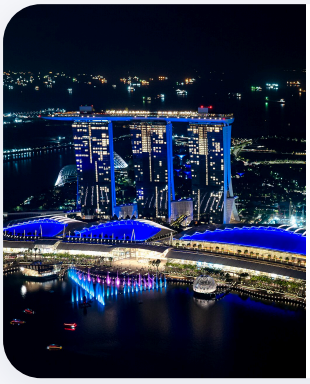

7:40pm

Blue line, 1 stop

蓝线一站到海湾舫

From Downtown station, take the blue line 1 stop to **Bayfront**. Faster than walking (about 25 min) with tired kids.

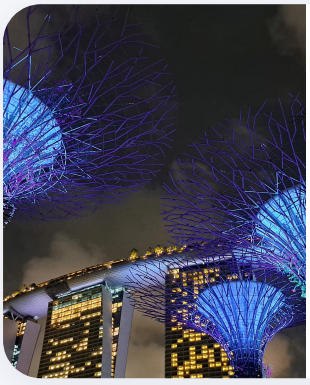

8:00pm

Spectra at Marina Bay Sands

金沙灯光水舞秀

Free light and water show over the bay at the Event Plaza, about 15 minutes. Shows at 8pm and 9pm, plus 10pm on Fri and Sat.

Local tip: dinner running late? Catch the 9pm Spectra and save the Supertrees for another night.

8:45pm

Supertree light show

擎天大树灯光秀

Walk over to Gardens by the Bay for Garden Rhapsody (7:45pm and 8:45pm). Free. Lie on the ground and look up, kids love it.

Note: late Nov to Dec, the Supertree Grove is ticketed for Christmas Wonderland. You can still watch from outside.

BEFORE YOU GO

Little local tips

本地小贴士

💧 Bring water and a cap. The heat tires kids out faster than you think.

🚇 Adults can tap a Visa or Mastercard straight at the MRT gates. No need to buy a card.

🧻 See a packet of tissue on a hawker table? Someone has "choped" (reserved) it. Find another seat.

💵 Some hawker stalls are cash only, so keep small notes.

🥥 Too hot? Grab a cup of Mr Coconut at Marine Parade MRT station. Cool and refreshing!
